

High quality Flower Pot Injection Mould

Mold Details

Something about Customized mold

1. Detailed description of Custom Plastic Mould:

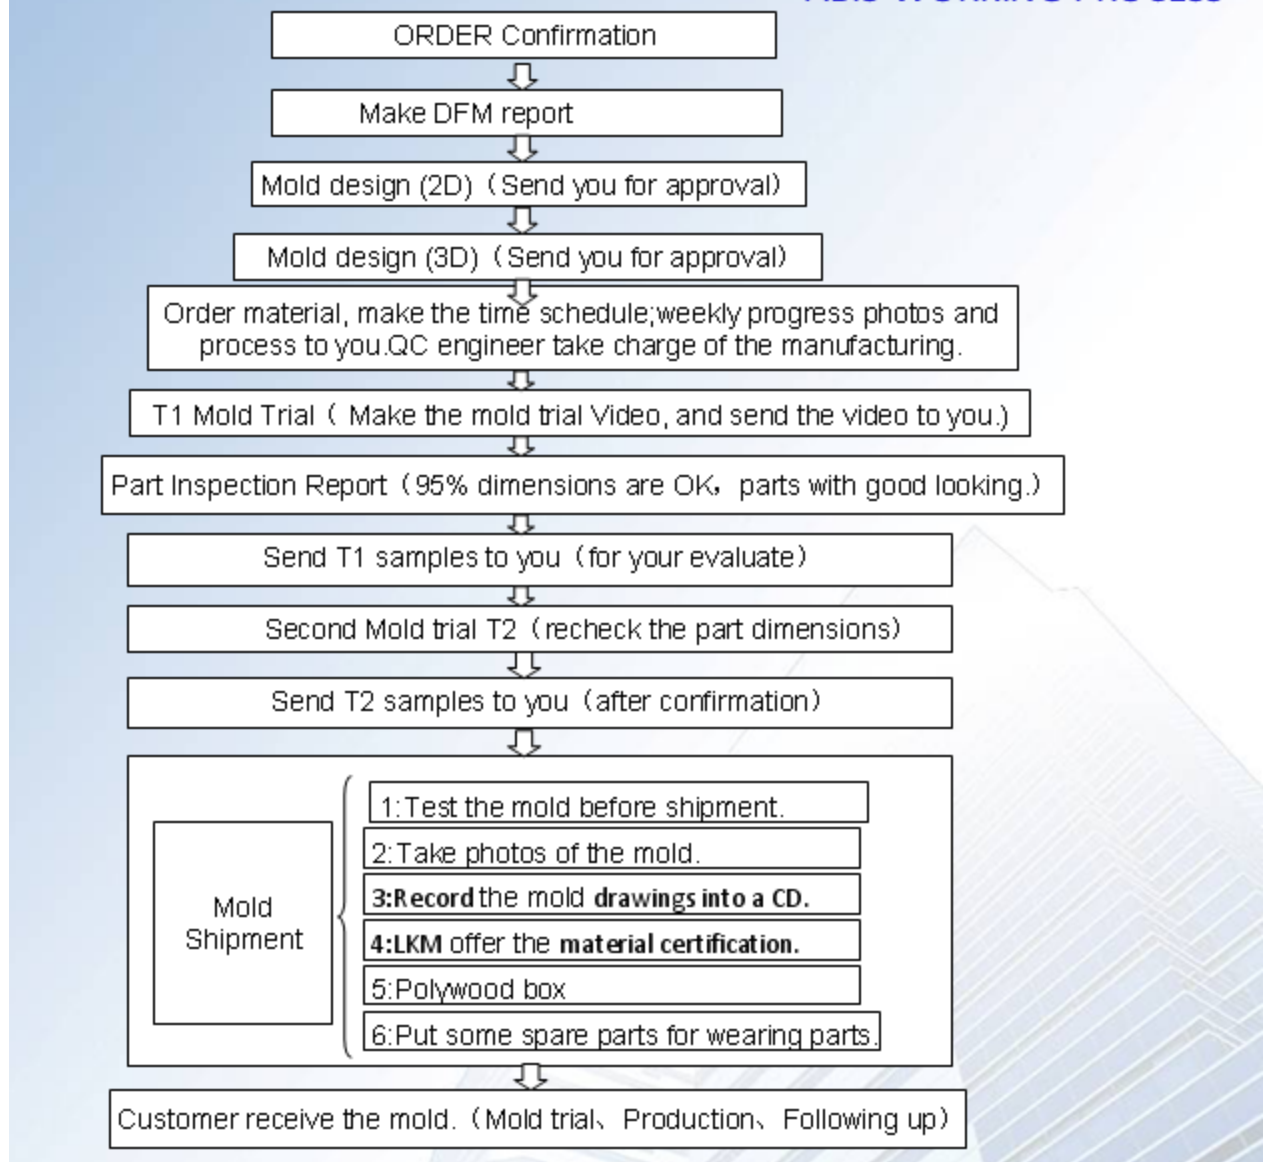

Cavity/Core Material	718H,P20,NAK80,2316,2738,DI
----------------------	-----------------------------

	N2344,H13 and available
Product Material	ABS,PC,PP,PVC,POM,PMMA,P S,PE,PET,RUBBER Silicone,P A,PBT,PEI,etc
Base	LKM or by requested
Structure	Double Color injection mold,So lid Mold,Insert Mold,Mold with Slide,Mold with Lifter
Runner System	Hot runner,Cold runner
Cavity	Single cavity,multi cavity by re quested
Finish	Corrosion word,Mirror finish,Bru shed
Mold standard	HASCO,DME,MISUMI, or by re quested etc
Software	STEP and X-T,UG,pro-E
Tolerance	+/-0.05mm
Design time	5-7 day

Sample time	1 week
Production time	3-5 weeks,depends on mold structure
Main technique	Milling,Grinding,EDM,Wire-cutting,Engraving,CNC etc
Longevity	0.5-1 million shots
Packing	Wooden case,PE,or by requested

2. Custom Plastic Mould making process

ABIS WORKING PROCESS

Advantage:

1. more than 10 years mould industry experience
2. good quality, High efficient services
3. more advanced equipment has been invested in the new year.
4. professtional design team with mature technology.

5.offer one year's guarantee for whole mould .

What we can offer you

Our main Business Scope

1.Motorcycle moulds:motorcycle mould.scooter part mould.dune buggy mould.ATV mould.toy cart mould ect.

2.Commodity Moulds:Chair Mould,Stool Mould,Table Mould,Bucket Mould,

Basket Mould,Food Container Mould,Storage box mould,Dustbin Mould, etc.

3.Industrial moulds:pallet mould, crate mould,Beer Crate Mould, paint container mould ,etc.

4. Auto parts moulds:bumper mould,dashboard mould,Door panels .

Mould Design D&R dept.

5 senior engineers and over 30 technical designers,supported by the professional and experienced designing team.Our designers are good at designing new products and mould structures.By now

our excellent design ability is highly appreciated by previous customers.

Quality Control

Advanced processing equipment

A whole set of production lines :efficient, precise processing and testing equipment, including

Matched Mold Machine, Deep Hole Drilling Machine, CNC Milling Machine, Drilling Machine,

Grinding Machine, Wire Cutting Machine, EDM, Precise Engraving Machine, Lathe Planning Machine ,

Fly Cutter Machine

Quality System

certificated by ISO9001-2008 for several years,strict quality control adhered to the ISO requirements

Process Service

A:response on Email, telephone calls or fax

B:supply the quotation and product design and mould design

C:communication on the technical points in-time

D:Weekly Reporter for you about the mould machining progress and mould finishing schedule

E:mould test and sample delivery in-time

F:Good After-sale service.24 hours repairing service,offer you one year's guarantee for the mould.

ABIS Mold which engaged in :

1. Cold&Hot Runner/ Single&Multi- Cavity-Injection moulding
2. Single&Multi- Shot
3. Die Cast-Aluminum&Zinc
4. Inserting Mold
5. Overmolding
6. Prototype Tooling
- 7 Mass Production

ABIS Mould packaging :

Mold Parking

Our service:

- 1) R&D(Design according to client's drawing and requirements)
- 2) Professional mold manufacturer
- 3) Molding parts,such as led lamp parts,car parts,auto accessories,electronic components,medical products,office appliance,and out door plastic part etc.
- 4) Various materials and short lead-time
- 5) High quality steel and long mold life

6) Full set machines for mold making and products injection

7) Mold's steel as per customers' requests such as NAK80,S1369(H),2738,718,738 AND ETC

8) Various used plastics:ABS,PP,PE,POM,PA6 +GF,PC,PMMA,HIPS,GPPS AND ETC.

9)vARIOUS COLORS AVAILABLE

10) Certifications Authorized:ISO9001 & Ts16949(we are applying] for and we will get it in 3 month.

FAQ:

1.Q: How many people work in engineering department and also in workshop?

A: 5 senior engineers and over 10 technical designers,Total with 100 employees.

2.Q:List of machinery and facility.

A:we have complete tooling processing machine,totally in 50 sets.and also with Three machine From Japan and Germany.

3.Q:Do you have ISO certificate or other certificate?

A:We have ISO 9001:2008 quality system certificate for several years.

4.Q:How many mold you make annually.

A:We Europe,USA,clients for nearly 120 sets per year,together with other countries at least 200 sets in total.

5.Q:Do you have any export and cooperation with famous companies?

A:Our 70%export rate is covering 30 countries markets.Such as North America, South America, Eastern Europe, Southeast Asia, Africa,Oceania, Mid East, Eastern Asia, Western Europe,We are Constantly optimizing our service and quality to convince more and more clients.As far as we have set long term business friendship with famous company Lowes(USA), AD-TECS(Korea),Piaggio (Italy).

6.Q:Do you have the checking system to make sure the mould quality?

A:We have a complete management system. Our project dept. will arrange mould checking and supply the checking report in detail. Only when the mould is qualified, can the mould be shipped out.
